

RESIDENT ONE HOUR CHECKS

We are going to be doing one hour checks on our residents in the higher risk group for falls. Every hour these residents need to be checked on and asked if they need anything such as a drink of water, use the bathroom or just get up and go another area of the home. Anyone can check in on the resident, and if they need something you are unable to do you need to alert the proper staff.

Day: 4/8

12AM	1AM	2AM	3AM	4AM	5AM	6AM	7AM	8AM	9AM	10AM	11AM	12PM	1PM	2PM	3PM	4PM	5PM	6PM	7PM	8PM	9PM	10PM	11PM

[Redacted text]

Please initial the box if you have checked in with resident
